PLANT TOUR AND DINNER

Thursday, March 18, 2010 at 5 pm

Wheelabrator Westchester Resource Recovery, Incinerator and Co-generation Facility
1 John Walsh Boulevard, (Charles Point), Peekskill, NY 10566-5399

Please join the Hudson Valley Chapter LERA (Labor and Employment Relations Association) for this informative tour (free of charge). All of Westchester trash cycles through this operation (1,000,000 tons per annum). While the plant staff is not unionized, most of the haulers are, thus providing an interesting labor-management situation. We are attempting to arrange a Union dinner discussant as well.

Dinner to Follow at 6:45 pm

Cortland Colonial Restaurant,
5714 Albany Post Road, (4 Old Albany Post Road), Cortland Manor (Peekskill), NY 10567-7342.

The plant manager from Wheelabrator Westchester will hold a Q&A session during the wait for meal service. We will order "from the menu" as it was very successful at last year's tour. Please be prepared to order upon arrival. Alcoholic beverages available on a cash bar basis.

Reservations and payment must be made in advance (see below). We anticipate this event to be very well-attended and urge you to make your reservations early to avoid disappointment. Members and non-members are very welcome to join both tour and the dinner. Please check the website for more information, <http://www.hvlera.org> or email, dinner@hvlera.org.

Please also plan on attending the May 18th end-of-year meeting - details to be posted on the website. Membership is growing and we'd really like to have you join us.

--W. Bruce Newman, membership@hvlera.org or 518-248-3337

Dinner is \$25 per person. Please RSVP by **Monday, March 15, 2010**.

Send checks payable to: Hudson Valley LERA
